- PHP
- Java

SKILLS

- Able to create, understand, and modify code to some programming language
- Web-development skills
- Can write python scripts
- Effective communication, collaboration, critical and logical thinking, and time management skills.

PROFILE

I'm a fourth-year student studying Information Technology at Eulogio "Amang" Rodrigues Institute of Science and Technology (EARIST) Manila Campus. Despite being a working student, I'm enthusiastic about learning and growing in the IT industry. I want to explore the world of technology and gain more skills. My goal is to become a skilled data analyst in the future. I believe data analytics will shape many industries and I want to be a part of it.

WORK EXPERIENCE

OJT Encoder

Public Attorney's Office (PAO), Binangonan Rizal (2020)

- Proficiently managed data entry and database tasks with great attention to detail and accuracy.

Catering Service Crew

Layla's D' Venue, Binangonan Rizal (2018 - 2019)

- All-around crew responsible for set-up, decoration, food service, and area cleaning, contributing to enhanced social skills and confidence.

Head Server

Café Leanne, Binangonan Rizal (2022 - 2023)

- Led a team of 4 employees, overseeing daily operations and emphasizing customer service and business growth.
